Important information about accident protection for students*

Dear Parent

Every day there are accidents involving children. To assist parents with costs associated with those accidents, we have **SchoolCare** Accident insurance provided by Catholic Church Insurances Limited. The **SchoolCare** Accident policy provides protection to all students attending our school.

The School Activities only cover includes accidental injury cover for school camps, school sports (including sports out of school hours as long as they are organised by the school), work experience and travelling to and from school or school activities. It also includes activities organised or authorised by the school. This includes before and after school care if organised by the school. Cover is worldwide.

Our policy covers three important areas of care and any one accident may be claimable under one or more of these areas.

Cover includes:

1. Up to **\$7,500 inclusive per accident** for medical costs (excluding any Medicare expenses or the Medicare Gap) from the following registered medical practitioners:
 - Dentist
 - Chiropractor
 - Osteopath
 - Physiotherapist
 - Remedial massage
 - Podiatry

 - Chemist, and
 - Hospital accommodation and facility fees.

Please note:

Federal legislation in Australia prohibits Catholic Church Insurances from covering:

 - youth activities organised by a voluntary association such as Guides or Scouts or

2. **Fixed amounts for defined events.** For example, when a student accidentally receives a fracture of the hand the policy will pay a fixed amount of \$250. The full table of benefits lists all the defined events covered under the policy and the fixed amount payable. The full table of benefits is shown in the information sheet available at www.ccinsurances.com.au

- Emergency transport resulting from an accidental injury

- Assistance with payment of school fees in the event of the accidental death of a parent or guardian.

These are all limited to **specific amounts per accident**. These amounts are detailed in the table of benefits contained in the policy, and are subject to the policy wording, terms, conditions and exclusions.
