Mater Dei College Scholarship Application Form
Mater Dei College Scholarship Information

Mater Dei College holds a commitment to providing accessible quality education. As a result, the College is providing a number of partial to full fee Scholarships for Year 7 and Year 11 in 2017. The Scholarships are available for current and prospective external students and do not include any other specific purpose charges or levies. The Principal reserves the right to withdraw a Scholarship should the recipient underachieve or seriously breach College rules and regulations. Students who receive an Academic Scholarship will be enrolled in the College Gifted and Talented Program. Should the student leave the College prior to the conclusion of the full term of the Scholarship period, then the parents/guardians may be liable for the payment of tuition fees that may have been waived under the scholarship. A decision to charge these fees would be at the discretion of the Principal. The Scholarship will be reviewed on a Term by Term basis of satisfactory progress. Students being removed from the relevant subjects may no longer be eligible for the Scholarship. All scholarship MacBooks must be returned to IT before the end of Term 4 and are returned to Students at the start of Term 1 the following year once new paperwork is completed by the families.
