HEALTH CARE CARD TUITION FEE SCHEME (HCC)

This scheme assists all families that hold eligible current Family Health Care or Family Pensioner Concession Cards as determined by the criteria stated in the scheme guidelines.

SECONDARY ASSISTANCE SCHEME (SAS)

An Education Department Assistance Scheme is available to holders of a current Health Care Card or Pensioner Concession Card. During Term 1, the scheme provides \$235 assistance for eligible students in Years 7 -12 and will be deducted from school fee accounts each year. This scheme also provides each student a Clothing Allowance of \$115 and is paid directly to the family, to a nominated bank account. Forms must be filled out and witnessed at the Administration office, by appointment only.

FINANCIAL ASSISTANCE

The College understands that some families may be experiencing genuine financial hardship. Parents finding themselves in a difficult financial situation, are requested to contact the Assistant Business Manager to discuss the situation and if required, consider an alternative payment arrangement.

BYOD PROGRAM

Students entering the College in Years 7 - 12 are required to purchase a device. The device can be sourced from any provider but must meet minimum specifications published by the College.

The Suitable Device Guidelines can be accessed at

https://www.mdc.wa.edu.au/images/pdf/BYOD/2023_Suitable_Device_Guidelines.pdf

Parents are encouraged to consider the Apple and Lenovo/Windows offers at <https://www.ibeducation.com.au/byod/> (school code "mdc2023"), which the ICT team have curated for specifications and price. The "mid range" of the Apple and Lenovo products are recommended, however the budget product will suit most needs. The premium model is recommended if your child anticipates needing higher performance for applications such as video editing.

Devices will be loaded with the College software, including MS Office and MS Defender antivirus – there is no need for you to purchase these or other software products. Please ensure the device is covered by extended warranty and we recommend checking your home contents insurance for loss/theft/damage coverage.

An explanation of IT related levies is as follows:

- ICT Levy – this levy applies to all students; this covers the cost of College ICT infrastructure including the cost of servers, internet, and photocopiers.
- Digital Text – this levy applies to the digital resources for use with the student BYOD Program.
- BYOD Program Levy – this levy funds software licensing and the College Operating Environment that enables us to operate this programme.

INSURANCE

It is strongly recommended that parents check their health and general insurance policies to ensure adequate medical, personal property and liability insurance, including Ambulance cover. Students at the College are covered by the Catholic Church Insurance Students Accident Insurance Policy. This policy provides a limited cover only (excluding all Medicare services, including the Medicare gap). The policy does not cover student Ambulance travel. For further information, call the School Care Accident Helpline on 1300 138 498 or visit; www.ccinsurance.org.au

The College is not liable for damage to, or loss of, a student's personal property. Additionally, the College is not liable for any costs incurred for Ambulance transportation.

NOTICE OF WITHDRAWAL

One full Term's written notice (10 weeks) addressed to the Principal is required for withdrawal of students. Failure to give the required notice will result in the charging of one Term's Tuition Fee.

YEAR 9 CAMP (NEW 2023)

A compulsory Year 9 Camp that will be taking place in Term 4, 2023 for all Year 9 students.
