One annual account will be issued to families at the beginning of the year. A payment option must be nominated by each family and provided to the College by 09th February 2024, to indicate the preferred payment option. If paying in full the account is due by 31 March 2024.

The College will contact by email, telephone, or mail those parents who have not paid fees or have not notified the College of their intended payment option by the due date. If there is no response or action to these communications, the College reserves the right to take legal action for the recovery of fees not paid. Any expenses incurred by the College in recovering any outstanding monies, including debt collection agency fees and legal fees may be charged to the account.

Health Care Card (HCC) Tuition Fee Scheme

This scheme assists all families that hold eligible current Family Health Care or Family Pensioner Concession Cards as determined by the criteria stated in the scheme guidelines. The discount is on tuition fees and various levies. All other charges and levies are billed at full rates. Please note that normal sibling discounts still apply to the adjusted tuition amount.

Secondary Assistance Scheme (SAS)

An Education Department Assistance Scheme is available to holders of a current Health Care Card or Pensioner Concession Card. During Term 1, the scheme provides \$235 assistance for eligible students in Years 7 -12 and will be deducted from school fee accounts each year. This scheme also provides each student a Clothing Allowance of \$115 and is paid directly to the family, to a nominated bank account. Forms must be filled out in person and witnessed at the Administration office, by appointment only.

Financial Assistance

The College understands that some families may be experiencing genuine financial hardship. Parents finding themselves in a difficult financial situation, are requested to contact the Fees department to discuss the situation and if required, consider an alternative payment arrangement.

Bring Your Own Device (BYOD)

Students entering the College in Years 7 to 12 are required to purchase a device. The device can be sourced from any provider but must meet minimum specifications published by the College. These Suitable Device Guidelines can be found on the College website here.
